

CLY 352 5049E

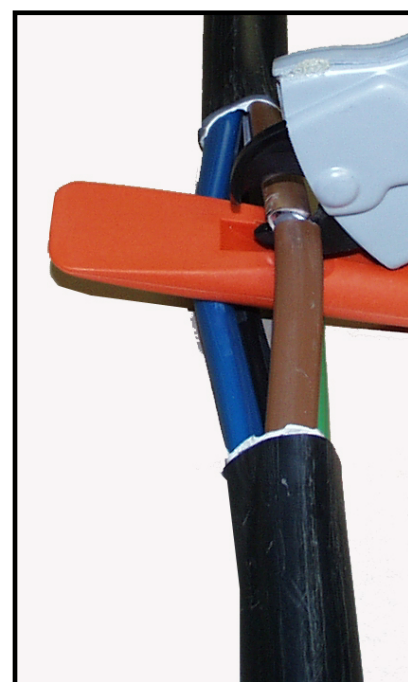

Insulated Ratchet Cable Cutter w/Ins. Head Data Sheet

The Clydesdale Insulated Ratchet Cable Cutter with Insulated Head has been developed for increased safety such that only the cutting edges of the jaws are exposed. Ideal for cutting Aluminium and Copper Cables up to 240mm². Ratchet mechanism is spring loaded to allow jaws to open fully when release tab is lifted eliminating the need to prise the jaws open. The tool is tested to EN 60903 and rated up to 1000V.
