NOAH Arc Flash Coverall Kit

Clydesdale's NOAH arc-flash protective kits offer a complete solution to protecting electrical workers in contact with apparatus that poses an arc flash risk. The Coverall kit is designed to provide maximum wearer comfort and flexibility in sizing.

Included in each kit is:

- Clydesdale NOAH Coverall
- AS1200 (CE) helmet and Visor
- Arc Flash balaclava
- Arc flash kit bag
- Rubber Insulating Gloves
- Leather Protector Gloves
- Glove Storage Bag
