

CLYDESDALE

Powering the Future

DATASHEET: CLY 700 N

Ratchet Webbing Pullers

Clydesdales' range of Ratchet Webbing Pullers are designed for use in hot line applications. When clean and dry, the polyester webbing strap provides insulating properties. The Fibre Reinforced Plastic (FRP) insulated handle can rotate 360° to allow the most efficient use of the ratchet at any angle.

Part No.	Pulling Capacity	Strap Size	Fall	Pull Length	Min Length	Max Length	Lever Length	Weight
CLY 700 N500	0.5t	33mm x 2mm	Single	0.8m	390mm	1280mm	400mm	2.8kg
CLY 700 N1000	1.0t	33mm x 2mm	Double	0.8m	420mm	1270mm	400mm	3.2kg
CLY 700 N1000P	1.0t	33mm x 2mm	Double	1.5m	440mm	1940mm	400mm	3.3kg
CLY 700 N1500	1.5t	40mm x 2mm	Double	0.8m	450mm	1300mm	500mm	4.5kg
CLY 700 N1500P	1.5t	40mm x 2mm	Double	1.5m	470mm	1970mm	500mm	4.6kg
