Glove Kit

GLOVE KITS.

Clydesdale's insulating rubber gloves are necessary for every electrical worker's complete safety. And to insure your safety, Clydesdale's leather protectors provide protection from cuts, abrasions and punctures. To keep these safety items in top condition, proper storage is vital.

Proper storage extends the service life of gloves. Folds and creases strain natural rubber and cause it to split prematurely. By storing gloves in the right size bag and never forcing more than one pair into each bag, equipment will lie flat and last longer.

Gloves should be regularly tested and inspected in accordance with company and national standards to ensure continued user safety.

Each kit consists of:

1x Pair of insulated gloves

1x Pair of leather protector gloves

1x Glove storage bag

PREFIX	CLASS	LENGTH	COLOUR*	SIZE
CLY 556 GK	00	11" or 14"	R, B, BL	7,8,9,10,11,12
CLY 556 GK	0	11" or 14"	R, B, BL, Y	7,8,9,10,11,12
CLY 556 GK	1	14", 16" or 18"	B, RB	7,8,9,10,11,12
CLY 556 GK	2	14", 16" or 18"	B, RB	7,8,9,10,11,12
CLY 556 GK	3	14", 16" or 18"	B, YB	7,8,9,10,11,12
CLY 556 GK	4	16" or 18"	B, YB	7,8,9,10,11,12

Eg. Sample part number:

CLY 556 GK314B09. This is a Class 3, 14", Black Size 9 kit
