Sizing

You should order the same size leather protector as insulating glove. i.e. If you wear a size 10 insulating glove you should use a size 10 protector. As with insulating gloves, size is given directly as the circumference of your hand in inches. The part number for each glove ends in "xx" which is the glove size e.g. 07, 08, 09, 10, 11, 12
