

CLYDESDALE

Powering the Future

DATASHEET: CLY 521

FR Hi-Vis Waistcoat

Clydesdale's Flame Retardant (FR) High visibility clothing is made from a premium 100% knitted polyester for durability and has Velcro closures on the front opening.

All garments are rated Index 1 for protection against heat flame according to EN533.

Garments are available in sizes from S to 3XL (see sizing table).

All garments are certified to EN471 for high visibility clothing (see part numbers table for class)
